

Marketing and Communications Coordinator

Hazon is leading a transformative movement deeply weaving sustainability into the fabric of Jewish life, in order to create a healthier, more sustainable, and equitable world for all.

Hazon is the national umbrella organization leading the Jewish environmental movement, and the largest faith-based environmental organization in the U.S, leading the Jewish response to the climate crisis and working in coalition with other faith and cultural groups as well. Now, Hazon is in discussion to merge with the strongest Jewish retreat center and JOFEE site in North America, the Pearlstone Campus just outside of Baltimore, creating a stronger organization than ever before to lead the Jewish, Outdoor, Food, Farming and Environmental Education (JOFEE) world and the Jewish environmental movement as a whole.

This position will be working to join the marketing efforts of both Hazon and Pearlstone. We have a preference for a candidate local to Hazon's offices in Manhattan, NY or Pearlstone's offices in Reisterstown, MD - though we are open to applicants in other locations. This role would require regular communication and coordination with staff based in many locations. The Marketing and Communications (MarCom) Coordinator will report to the Marketing and Communications (MarCom) Manager.
