Celebrating its 92nd year in the Denver community, the Robert E. Loup Jewish Community Center is a vibrant and inclusive family and social gathering place that provides educational, cultural and recreational programs to serve and strengthen the community, guided by timeless Jewish values. For more, please visit www.jccdenver.org.

Hazon means "Vision." We create healthier and more sustainable communities in the Jewish world and beyond. We work with local leaders and organizations to build and strengthen JOFEE (Jewish, Outdoor, Food and Environmental Education). We catalyze energy and passion, we seed programs and ideas, and we support local programs and institutions to take their work to the next level and enable the Jewish community to contribute to creating healthier and sustainable Denver and Boulder communities overall.
