Financial Aid

Thanks to our program supporters, we are able to offer the Fall 2015 fellowship for a sliding scale fee of \$500-\$1500. This highly subsidized fee covers housing, food, and all program related expenses. The actual cost of the fellowship is \$10,000 per fellow.

If you have personal or family resources that enable you to pay the full \$1,500 fee, we ask that you pay this amount. Our sliding scale system only works to cover the necessary costs of the program if individuals who can afford to pay the full fee do so.

If you or your family cannot afford the \$1,500 fee, please pay what you can between \$500 and \$1,500.

Our 2016 Fellowship fees will be announced soon.

16. Question - Not Required - If you are requesting to pay a fee less than \$1,500, please describe your circumstances.
