

**TEVA Program Medic/ Nurse  
2019 Fall Season, Falls Village, CT**

Teva is the premier Jewish environmental education program in the country. Our Shomrei Adamah program provides transformational experiences in nature for Jewish day school students. We are seeking a hard-working, experienced and committed Medic to join our Fall Teva team at the Isabella Freedman Jewish Retreat Center, from September 22 to late November/early December 2019. We are looking for someone who has experience working with kids and dealing with injuries in outdoor settings, and is certified with Wilderness First Aid and CPR, or higher medical certification.

Teva programs are dynamic and highly collaborative, relying on the skills and talents of all team members to bring engaging and memorable programming to our students. The medic is an essential part of this team, and plays a key role in enabling students to feel safe trying new things, whether on the trails or the Isabella Freedman campus.

**Responsibilities**

*Medical Responsibilities*

- Medical Treatment: Handle all program-related medical issues and emergencies, as well as general sickness, and be on-call at night for medical consultation if needed. Medical emergencies beyond the qualifications of the medic will be referred to 911.
- Medical concerns prior to students' arrival: Speak with parents and review medical forms
- Staff Training: ensure that staff are knowledgeable and feel comfortable assessing situations and reaching out for medical help
- Food Safety: liaise between parents, kitchen staff, and students regarding dietary needs, leading up to the program as well as assisting with meal and snack times
- If licensed, to distribute medicines to visiting students on site.

*General Responsibilities*

- Programmatic and administrative support as needed, to ensure the success of Teva programs, as well as student safety and happiness
- General support of Teva and Hazon, as an integral member of the Hazon staff

**Qualifications**

- Current WFA, WFR, EMT, Paramedic, Nurse or comparable certificate
- Current CPR/AED certification
- In excellent physical and mental health
- Demonstrated skill and genuine enthusiasm for working with children
- Strong communication and teamwork skills: must be able to work as part of a close-knit, interdependent team
- Ability to put immediate needs of students first at all times

- Ability to work outside in a variety of weather conditions and temperatures

**Compensation:**

- \$15-20 an hour based on experience plus room and board
- Food includes all meals in dining hall when program is in session and occasional weekend meals; when weekend meals are not available, staple ingredients provided to cook in staff kitchen
- Free attendance at select weekend/holiday programming at Isabella Freedman Jewish Retreat Center (examples: Rosh Hashana, Yom Kippur, Sukkahfest)
- Professional networking opportunities throughout season
- Participation in a vibrant ecological Jewish community

**Dates and Schedule:** September 22 – late November/early December 2019 (exact end date to be determined). Teva programs usually run Mon-Thursday, and Medic would only be required to be at Isabella Freedman during program times, with the exception of the Medic training.

**How to Apply:** Please send cover letter and resume to [Karen.pettinelli@hazon.org](mailto:Karen.pettinelli@hazon.org) with “Teva Medic” in the subject line. Applications will be reviewed on a rolling basis.
